49. **19/20 Minutes of the Parish Council Meetings 21<sup>st</sup> November 2019:** - The minutes of the Parish Council Meeting were approved as a true record.
50. **19/20 Matters arising:** - 50.19/20.1. School parking problems – The Parish Councils letter outlining the concerns to parents was put in the school newsletter in November. Problems are still occurring and residents on Ledgate Lane have raised issues with parents parking opposite their driveways, blocking them from reversing their cars out. Clear dated evidence of repeat offenders needs to be reported to police for them to take action. It was agreed to also distribute a letter to nearby residents advising them to do this and put it on the website and Facebook page. It was agreed that Cllr Bell will take over the administration of the Facebook page.  
50.19/20.2. Speeding traffic – Highways have advised that the speed limit cannot be reduced on New Lane because there aren't accesses on both side of the road and to cover existing accesses would only extend it 56m. The Parish Council queried why the limit on Ledgate Lane is 30mph as that has similar accesses. Also believe that 56m would make a difference. **Action:** Clerk to raise queries with Highways.  
50.19/20.3. Street Light faults – Street light no.4 on Beech Grove is on all day. **Action:** Clerk to report.  
50.19/20.4 Parish grit bins – NYCC advised that they are unable to refill the bins as this service was carried out in September. They confirmed that the Parish Council are not legally obliged to provide grit. It was agreed that the priority area was near the village hall as New Lane and Ledgate lane are gritted by Highways. **Resolved:** To purchase 1/2 ton for Parish Council to grit when necessary.
51. **19/20 Correspondence:** - 51.19/20.1. North Yorkshire Police – Launch of a new restorative justice service and request to participate in a survey on discrimination and hate crime noted. Reports of stolen vehicles, a burglary and criminal damage to a vehicle noted.  
51.19/20.2. Rural Services Network – Newsletters and funding bulletins noted.  
51.19/20.3. North Yorkshire Fire & Rescue Service – The offer to meet with the new Group Manger was considered but it was not considered needed as there are no issues to discuss.

53. **19/20 Updates:** - 53.19/20.1. Village Hall Committee – The Christmas event was a success raising £153 but unfortunately stall holders did not sell much so will not return. The summer dog show is being planned. Funding has been received for the lights upgrade which will be completed in the next few weeks. An application is being made to CEF for funding for replacement tables and chairs. The next meeting is on Sunday 16<sup>th</sup> February.
