Planning Process explained

SELBY DISTRICT COUNCIL

You can submit, view and track planning applications submitted to the Council online.

Registering for an online account lets you keep up to date with applications submitted, approved and refused in the Selby district. You can view the information instantly online at a time that suits you, 24hrs a day.

Online

Visit www.selby.gov.uk/planning to view applications, find out about decisions and find out how the planning process works.

Public Access website

All planning applications submitted to us can be seen on this website. You can also read the reports and information linked to each application.

Register for an account

Create a free Public Access account so you can track applications you're interested in.

View decisions made

Find out when decisions about planning applications are made - and the reasons why.

Attend planning meetings

As well as in person, you can also watch planning meetings take place online.

Appeals

Find out about planning appeals submitted to us - and any decisions made by an independent planning inspector.
